RE: TrackSide Tire Ordering App Instructions

Yokohama Tire is thrilled to be the official tire supplier for Porsche Sprint Challenge. This memo provides instructions to download and use the TrackSide Performance tire ordering app.

1. Download free app “Trackside Performance – PSTW” onto device or scan QR code:
2. Open app and select “USAC Porsche Sprint Challenge”
3. Select vehicle class: 992 GT3 Cup Car or Cayman GT4 RS Clubsport
4. Fill in the following information (all fields with * must be completed):

Email: *

Team Name: *

Driver Name: *

Car Number: *

Save Take Off: *

- Select Yes / No

- Please note that take offs must be picked up by end of day

Credit Card on File: *

- Select Yes / No

Quantity of Tires:

- Select quantity using check box for Dry and/or Wet tires

Mount/Balance:

- Select quantity to using check box

Leave us a note:

- Input special instructions in this field. i.e. if only dropping off one tire, leave notes to mount as a right or left

Leave your team notes:

- Used for race team's internal reference

5. Hit 'Submit' button.

6. Once the service request on the app is complete, the app will produce a REQ #.

7. Write REQ # on all tires to drop off and leave them at the designated drop off area at the service trailer. 8. Pick up tires at specified pick-up area at the service trailer. Tires marked 'save' must be retrieved at the end of each day. 9. At the end of the event, teams will receive an emailed receipt for all tire purchases during the event.
